

Dear Colleagues,

(1) We are pleased to inform "Final Announcement and Call for Papers" for the "Fourth International Symposium on GIS/Spatial analyses in Fishery and Aquatic Sciences" to be held in Rio de Janeiro, Brazil, Aug. 25-29, 2008.

(2) For details, please see the PDF file available at:

<http://www.esl.co.jp/Sympo/4th/final%20announcement%20&%20Call%20for%20Papers.pdf>

The deadline of the registration and the submission of the abstract is JUNE 15, 2008.

(3) Three major themes for this time are "Ecosystem Management", "Future GIS" and "Inland Waters and Aquaculture GIS", For details, please refer to p.5-7 in "Final Announcement and Call for Papers"(PDF file) in the above web-site.

(4) You may not be able to access to the above web-site when many people access at once. In such case please try to access later.

(5) But if you still can not access, please let us know. Then we will send you the PDF file directly by e-mail.

(6) Please forward this e-mail to those who might be interested in this Symposium. Thanks in advance for your kind help.

(7) Our new publication list including the most recent "GIS/Spatial analyses in Fishery & Aquatic Sciences (Vol. 3) (3rd Symposium in Shanghai)" is available at <http://www.esl.co.jp/Sympo/for%20sales.pdf>

Warm Regards,

=====

Dr Tom Nishida (Convener)
Fishery-Aquatic GIS Research Group,
